

# Budget 2014 Community Consultation Form

Deadline for submissions: Friday, June 21, 2013

As part of Council's commitment to balancing the need to provide excellent, efficient services with the desire to maintain low property taxes, the Finance and Administration Committee of Greater Sudbury is looking for your input into the 2014 municipal budget.

The Committee will begin budget deliberations this fall for the 2014 municipal budget, but the process starts now to ensure that Council has time to consider all ideas and suggestions.

The Committee is looking for creative solutions to find efficiencies or increase revenues, as part of their long-term fiscal sustainability plan. If you have suggestions for fiscal opportunities for our City, the community consultation is your chance to talk about them.

The community consultation is also an opportunity to make funding requests. Such requests should be in line with the City's vision, mission, and values, which speak to quality of life, excellence of service, innovation, and the social, environmental, and economic development of our community.
