

# Get Active in Greater Sudbury

## Arenas

Drop by one of our free skating days. All times and locations are subject to change based on events and tournaments. Skaters must attend the appropriate program to ensure all participants' safety (for example, parents and tots must not skate with adult skaters). Only Canadian Standards Association (CSA) approved skating aids are allowed on the ice surface. For your safety, please read our [Public Skating Rules of Conduct](#). On-ice capacity is limited to 50 people and is first-come, first-served. Register online at [greatersudbury.ca/play/arenas/public-skating](https://greatersudbury.ca/play/arenas/public-skating).
