---

**1. Call to Order**

The meeting commenced at 10:32 a.m.

**2. Roll Call**

A roll call was conducted.

**3. Discussions**

**3.1 Strategic Initiatives – Greater Sudbury Event Centre – Internal Design Review**

Sabrina Esser, Project Director from BBB Architects provided an electronic presentation overview of the schematic design drawings including site and floor plan accentuating the availability of accessibility features.

The Panel asked questions regarding: A dedicated designated quiet room, accessible parking availability and location, the style and placement of controls for automatic

doors, tactile surface indicators for stairs, design features and availability for accessible washrooms, the opportunity for fixed or mobile counters for food/beverages, accessible designs for the concession stands, wayfinding signage design and placement, types of lighting being used, as well as sightlines in regard to the designated accessible seating.

#### **4. Question Period**

The Panel discussed: World Down Syndrome Awareness Day, Definition of an “Accessible Housing Unit”, and World Autism Awareness Day.

Kristen McKee, Legislative Compliance Coordinator introduced herself as a new staff liaison for the Panel.

#### **5. Adjournment**

Travis Morgan adjourned the meeting at 11:50 a.m.
