Notes:

1. Non-profit groups have permission to book periodic meetings at no cost and are responsible for the cleaning for the facility immediately after the meeting, to an acceptable level as outlined in the facility rental agreement. Leisure staff has the responsibility to manage the schedule for free meetings in order to meet the needs of all nonprofit groups equitably.

Non profit is defined as a "recognized non-profit organization".

Meeting is defined as "a gathering for the purpose of the organizations business" i.e. Annual General Meetings, monthly executive meetings, with the intention of a lecture style set up to include light refreshments only. Meetings are not intended for fundraising events, elaborate gatherings, or large scale leisure activities.

2. Non-profit groups are entitled one free rental per year for an event that is outside of the definition of a meeting, as explained above. For example, fundraisers, dinners, dances, holiday events, large scale events related to tournaments or other leisure activities. The free rental does not include ancillary costs such as insurance or any additional amenities other than what is available on site at the facility. Subsequent to the annual "free rental usage", the nonprofit group would be subject to fees as outlined in the user fee by-law.
3. For the purposes of meetings only, any non-profit group can use any CGS leisure meeting room or hall at no cost.
