HORAIRES ET CARTES DES NOUVEAUX CIRCUITS,  
EN VIGUEUR DÈS LE 26 AOÛT 2019\*

**Travel Tips: Things to Know About the New 101 Lively Route**

- Based on requests we heard from residents during engagement, residents of Lively and Naughton **now have two different options** to travel into the core of Greater Sudbury:
  - **Travel to Downtown by transferring to/from connecting trips on the 13 Copper Cliff.** Trips are timed to connect at the Copper Cliff mobility hub.
  - **Travel directly to/from the South End Transit Hub** (at Walmart) by staying on the bus.
    - At the South End Transit Hub, connections are available to the Health Sciences North, Downtown and New Sudbury Centre on the **1 Main Line**.
    - At that hub you can also transfer to the **14 Four Corners** or the **28 South End Local**.
- Routing on this bus changes based on time of day and the direction that most people are travelling:
  - **In the morning**, buses route to Naughton first before then routing to Lively on the inbound direction.
  - **In the afternoon**, buses heading outbound route to Lively first and then Naughton.
