INDEPENDENT AUDITOR'S REPORT

To the Board Members of the Board of Health for the Sudbury & District Health Unit (operating as Public Health Sudbury & Districts), Members of Council, Inhabitants and Ratepayers of the Participating Municipalities of the Board of Health for the Sudbury & District Health Unit

Opinion

We have audited the accompanying financial statements of The Board of Health for the Sudbury & District Health Unit operating as Public Health Sudbury & Districts (the Entity), which comprise:

- the statement of financial position as at December 31, 2022
- the statement of operations and accumulated surplus for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the “financial statements”)

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2022, and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “*Auditor’s Responsibilities for the Audit of the Financial Statements*” section of our report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Page 3

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represents the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

See accompanying notes to financial statements.

BOARD OF HEALTH FOR THE SUDBURY & DISTRICT HEALTH UNIT

(OPERATING AS PUBLIC HEALTH SUDBURY & DISTRICTS)

Notes to Financial Statements

Year ended December 31, 2022

The Board of Health for the Sudbury & District Health Unit, (operating as Public Health Sudbury & Districts), (the "Health Unit") was established in 1956, and is a progressive, accredited public health agency committed to improving health and reducing social inequities in health through evidence informed practice. The Health Unit is funded through a combination of Ministry grants and through levies that are paid by the municipalities to whom the Health Unit provides public health services. The Health Unit works locally with individuals, families and community and partner agencies to promote and protect health and to prevent disease. Public health programs and services are geared toward people of all ages and delivered in a variety of settings including workplaces, daycare and educational settings, homes, health-care settings and community spaces.

The Health Unit is a not-for-profit public health agency and is therefore exempt from income taxes under the Income Tax Act (Canada).

1. Summary of significant accounting policies:

These financial statements are prepared by management in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board. The principal accounting policies applied in the preparation of these financial statements are set out below.

(a) Basis of accounting:

The financial statements are prepared using the accrual basis of accounting.

The accrual basis of accounting recognizes revenues as they are earned. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(b) Cash and cash equivalents:

Cash and cash equivalents include guaranteed investment certificates that are readily convertible into known amounts of cash and subject to insignificant risk of change in value.

Guaranteed investment certificates generally have a maturity of one year or less at acquisition and are held for the purpose of meeting future cash commitments.

Guaranteed investment certificates amounted to \$2,378,159 as at December 31, 2022 (2021 - \$2,332,600) and these can be redeemed for cash on demand.

(c) Employee benefit obligations:

The Health Unit accounts for its participation in the Ontario Municipal Employee Retirement Fund (OMERS), a multi-employer public sector pension fund, as a defined contribution plan.

Vacation and other compensated absence entitlements are accrued for as entitlements are earned.

BOARD OF HEALTH FOR THE SUDBURY & DISTRICT HEALTH UNIT

(OPERATING AS PUBLIC HEALTH SUDBURY & DISTRICTS)

Notes to Financial Statements

Year ended December 31, 2022

1. Summary of significant accounting policies (continued):

(c) Employee benefit obligations (continued):

Other post-employment benefits are accrued in accordance with the projected benefit method prorated on service and management's best estimate of salary escalation and retirement ages of employees. The discount rate used to determine the accrued benefit obligation was determined with reference to the Health Unit's cost of borrowing at the measurement date taking into account cash flows that match the timing and amount of expected benefit payments.

Actuarial gains (losses) on the accrued benefit obligation arise from the difference between actual and expected experiences and from changes in actuarial assumptions used to determine the accrued benefit obligation. These gains (losses) are amortized over the average remaining service period of active employees.

(d) Non-financial assets:

Tangible capital assets and prepaid expenses are accounted for as non-financial assets by the Health Unit. Non-financial assets are not available to discharge liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(e) Tangible capital assets:

Tangible capital assets are recorded at cost, and include amounts that are directly related to the acquisition of the assets. The Health Unit provides for amortization using the straight-line method designed to amortize the cost, less any residual value, of the tangible capital assets over their estimated useful lives. The annual amortization periods are as follows:

Asset	Basis	Rate
Building	Straight-line	2.5%
Land improvements	Straight-line	10%
Computer hardware	Straight-line	30%
Leasehold improvements	Straight-line	10%
Website design	Straight-line	20%
Vehicles and equipment	Straight-line	10%
Equipment – vaccine refrigerators	Straight-line	20%
Computer software	Straight-line	100%

(f) Prepaid expenses:

Prepaid expenses are charged to expenses over the periods expected to benefit from them.

BOARD OF HEALTH FOR THE SUDBURY & DISTRICT HEALTH UNIT

(OPERATING AS PUBLIC HEALTH SUDBURY & DISTRICTS)

Notes to Financial Statements

Year ended December 31, 2022

1. Summary of significant accounting policies (continued):

(g) Accumulated surplus:

Certain amounts, as approved by the Board of Directors, are set aside in accumulated surplus for future operating and capital purposes. Transfers to/from funds and reserves are an adjustment to the respective fund when approved.

The accumulated surplus consists of the following surplus accounts:

- Invested in tangible capital assets:

This represents the net book value of the tangible capital assets the Health Unit has on hand.

- Unfunded employee benefit obligations:

This represents the unfunded future employee benefit obligations comprised of the accumulated sick leave benefits, other post-employment benefits and vacation pay and other compensated absences.

The accumulated surplus consists of the following reserves:

- Working capital reserve:

This reserve is not restricted and is utilized for the operating activities of the Health Unit.

- Public health initiatives:

This reserve is restricted and can only be used for public health initiatives.

- Corporate contingencies:

This reserve is restricted and can only be used for corporate contingencies.

- Facility and equipment repairs and maintenance:

This reserve is restricted and can only be used for facility and equipment repairs and maintenance.

- Sick leave and vacation:

This reserve is restricted and can only be used for future sick leave and vacation obligations.

- Research and development:

This reserve is restricted and can only be used for research and development activities.

BOARD OF HEALTH FOR THE SUDBURY & DISTRICT HEALTH UNIT

(OPERATING AS PUBLIC HEALTH SUDBURY & DISTRICTS)

Notes to Financial Statements

Year ended December 31, 2022

1. Summary of significant accounting policies (continued):

(h) Revenue recognition:

Revenue from government grants and from municipalities is recognized in the period in which the events giving rise to the government transfer have occurred as long as: the transfer is authorized; the eligibility criteria, if any, have been met except when and to the extent that the transfer gives rise to an obligation that meets the definition of a liability for the recipient government; and the amount can reasonably be estimated. Funding received under a funding arrangement, which relates to a subsequent fiscal period and the unexpended portions of contributions received for specific purposes, is reflected as deferred revenue in the year of receipt and is recognized as revenue in the period in which all the recognition criteria have been met.

Other revenues including certain user fees, rents and interest are recorded on the accrual basis, when earned and when the amounts can be reasonably estimated and collection is reasonably assured.

(i) Budget figures:

Budget figures have been provided for comparison purposes and have been derived from the budget approved by the Board of Directors. The budget figures are unaudited.

(j) Use of estimates:

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities at the date of the financial statements and the reported amounts of certain revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty. The effect of changes in such estimates on the financial statements in future periods could be significant. Accounts specifically affected by estimates in these financial statements are estimated amounts for uncollectible accounts receivable, employee benefit obligations and the estimated useful lives and residual values of tangible capital assets.

BOARD OF HEALTH FOR THE SUDBURY & DISTRICT HEALTH UNIT

(OPERATING AS PUBLIC HEALTH SUDBURY & DISTRICTS)

Notes to Financial Statements

Year ended December 31, 2022

2. Employee benefit obligations:

An actuarial estimate of future liabilities has been completed using the most recent actuarial valuation dated December 31, 2021 and forms the basis for the estimated liability reported in these financial statements. The valuation of the plan is updated from a walk forward of the December 31, 2021 results. The next full valuation of the plan will be as of December 31, 2024.

	2022	2021
Accumulated sick leave benefits	\$ 594,549	\$ 625,120
Other post-employment benefits	1,702,504	1,613,775
	2,297,053	2,238,895
Vacation pay and other compensated absence	1,637,829	1,561,281
	\$ 3,934,882	\$ 3,800,176

The significant actuarial assumptions adopted in measuring the Health Unit's accumulated sick leave benefits and other post-employment benefits are as follows:

	2022	2021
Discount	4.00%	4.00%
Health-care trend rate		
Initial	5.75%	6.42%
Ultimate	3.75%	3.75%
Salary escalation factor	2.75%	2.75%

The Health Unit has established reserves in the amount of \$675,447 (2021 - \$675,447) to mitigate the future impact of these obligations. The accrued benefit obligations as at December 31, 2022 are \$2,833,758 (2021 - \$2,304,953).

	2022	2021
Benefit plan expenses:		
Current service costs	\$ 191,394	\$ 185,111
Interest	110,564	88,379
Amortization of actuarial loss	29,440	(6,286)
	\$ 331,398	\$ 267,204

Benefits paid during the year were \$273,241 (2021 - \$170,928). The net unamortized actuarial loss of \$563,705 (2021 - \$566,145) will be amortized over the expected average remaining service period.

Notes to Financial Statements

Year ended December 31, 2022

4. Commitments and contingencies:

(a) Line of credit:

The Health Unit has available an operating line of credit of \$500,000 (2021 - \$500,000). There is \$Nil balance outstanding on the line of credit at year end (2021 - \$Nil).

(b) Lease commitments:

The Health Unit enters into operating leases in the ordinary course of business, primarily for lease of premises and equipment. Payments for these leases are contractual obligations as scheduled per each agreement. Commitments for minimum lease payments in relation to non-cancellable operating leases at December 31, 2022 are as follows:

No later than one year	\$	277,615
Later than one year and no later than 5 years		782,681
Later than five years		1,037,778
	\$	2,098,074

(c) Contingencies:

The Health Unit is involved in certain legal matters and litigation, the outcomes of which are not presently determinable. The loss, if any, from these contingencies will be accounted for in the periods in which the matters are resolved. Management is of the opinion that these matters are mitigated by adequate insurance coverage.

6. Pension agreements:

The Health Unit makes contributions to OMERS, which is a multi-employer plan, on behalf of its members. The plan is a defined contribution plan, which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to OMERS for 2022 was \$1,849,843 (2021 - \$1,779,245) for current service and is included within benefits expense on the statement of operations and accumulated surplus.

(OPERATING AS PUBLIC HEALTH SUDBURY & DISTRICTS)

Notes to Financial Statements

Year ended December 31, 2022

10. Budget information:

The Budget adopted by the Board of Directors on November 18, 2021, was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget did not include amortization of tangible capital assets. As a result, the budget figures presented in the statement of operations and accumulated surplus represent the Budget adopted by the Board of Directors on November 18, 2021 including subsequent budget amendments, with adjustments as follows:

Budget surplus for the year	\$	–
Less: amortization		766,464
Budget deficit per the statement of operations and accumulated surplus	\$	(766,464)

11. Comparative information:

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect the prior year surplus.

12. Financial risk:

Other risk:

The Health Unit's main sources of revenue are government operating grants, municipal levies, and small amount of service fees. From 2020-2022, Public Health Sudbury & Districts primary focus was to respond to the pandemic and to support the significant resources requirements, the provincial government provided financial relief in the form of COVID-19 extraordinary funding. In mid-2022, PHSD began to turn its attention to public health recovery priorities and returning permanent staff to work on the Ontario Public Health Standards while maintaining temporary resources to support the COVID-19 requirements. The Ministry of Health has committed to continue to fund COVID-19 extraordinary cost in 2023.
