## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Greater Sudbury Housing Corporation

### ***Opinion***

We have audited the financial statements of Greater Sudbury Housing Corporation (the Entity), which comprise:

- the statement of financial position as at December 31, 2022
- the statement of operations for the year then ended
- the statement of changes in net financial assets for the year then ended
- the statement of cash flows for the year then ended
- and notes and schedules to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2022, and its results of operations, its change in net financial assets and its cash flows year then ended in accordance with the basis of accounting in note 1 to the financial statements.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the **'Auditors' Responsibilities for the Audit of the Financial Statements'** section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Emphasis of Matter – Financial Reporting Framework***

We draw attention to Note 1 to the financial statements which describes the applicable financial reporting framework and the significant differences between that financial reporting framework and the Canadian public sector accounting standards.

Our opinion is not modified in respect of this matter.

***Other Matter – Restriction on Use***

Our report is intended solely for the Board of Directors of the Greater Sudbury Housing Corporation and the City of Greater Sudbury and should not be used by other parties.

***Responsibilities of Management and Those Charges with Governance for the Financial Statements.***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the basis of accounting described in the notes to the financial statements, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

Page 3

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

Year ended December 31, 2022

---

Greater Sudbury Housing Corporation (“the Corporation”) was incorporated under the Ontario Business Corporations Act on December 14, 2000. Its principal activity is the provision of social housing for the City of Greater Sudbury.

The Corporation is a municipal corporation pursuant to paragraph 149(1)(d.5) of the Income Tax Act (Canada) and is, therefore, exempt from income taxes, having met certain requirements of the Income Tax Act (Canada).

## 1. Summary of significant accounting policies:

### (a) Basis of accounting:

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with the policies as determined by the Corporation's Municipal Service Manager, the City of Greater Sudbury. The basis of accounting used in these financial statements materially differs from Canadian public sector accounting standards because:

- i) capital assets purchased and betterments which extend the estimated life of an asset, are expensed in the statement of operations in the year the expenditure is incurred rather than being capitalized on the statement of financial position and amortized over their estimated useful lives (see schedule 2). Tangible capital asset additions are capitalized in the schedule of tangible capital assets only if they exceed a \$50,000 threshold; and
- ii) inventory of parts and supplies are expensed in the statement of operations in the year the expenditure is incurred.

### (b) Cash and restricted cash:

Cash and restricted cash include cash on hand and demand deposits that are readily convertible into known amounts of cash and subject to insignificant risk of change in value.

### (c) Prepaid expenses:

Prepaid expenses are charged to expenses over the periods expected to benefit from them.

Notes to Financial Statements (continued)

Year ended December 31, 2022

---

## 1. Summary of significant accounting policies (continued):

### (d) Capital assets:

Capital assets are stated at cost, less accumulated amortization, and are amortized based on the estimated useful life of each individual component on a straight-line basis over the following periods:

---

High-rise residential units:	
Interior, exterior and roof	20 years
Structure	50 years
Electrical	30 years
Mechanical	25 years
Site improvements	15 years
Multi-residential units	20 years
Single-family residential houses	20 years
Equipment and vehicles	10 years

---

### (e) Accumulated surplus:

Certain amounts, as approved by the Service Manager, are set aside in accumulated surplus for future operating and capital purposes. Transfers to/from funds and reserves are an adjustment to the respective fund when approved.

The accumulated surplus consists of the following:

- Operating reserve:

This reserve is not restricted and may be utilized for the operating activities of the Corporation as approved by the Service Manager.

- Capital reserve:

This reserve is restricted and can only be used for capital projects as approved by the Service Manager.

- Rent supplement reserve:

This reserve is restricted and can only be used for expenses related to the Rent Supplement Program as approved by the Service Manager.

### (f) Subsidy refundable:

The local housing subsidy is recognized based on the approved fiscal allocation by the City of Greater Sudbury. Subsidies may be recovered by the City of Greater Sudbury based on an annual reconciliation performed subsequent to year-end. The recoveries are reported in the year of recovery as an adjustment to local housing subsidy revenue.

# GREATER SUDBURY HOUSING CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2022

## 1. Summary of significant accounting policies (continued):

### (g) Revenue recognition:

Revenues are recognized in the year in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Local housing subsidy revenue from the City of Greater Sudbury is recognized in the period in which the events giving rise to the government transfer have occurred as long as: the transfer is authorized; the eligibility criteria, if any, have been met except when and to the extent that the transfer gives rise to an obligation that meets the definition of a liability for the recipient government; and the amount can reasonably be estimated. Funding received under a funding arrangement, which relates to a subsequent fiscal period and the unexpended portions of contributions received for specific purposes, is reflected as deferred revenue in the year of receipt and is recognized as revenue in the period in which all the recognition criteria have been met.

Rental revenue is recognized as revenue during the month of occupancy by members.

Management services revenue is recognized when the service has been performed and collectability is reasonably assured.

### (h) Government grant:

A government grant is not recognized until there is reasonable assurance that the entity will comply with the conditions attaching to it, and that the grant will be received. Receipt of a grant does not of itself provide conclusive evidence that the conditions attaching to the grant have been or will be fulfilled. Government grants related to assets, including non-monetary grants at fair value will be presented in the statement of financial position by deducting the grant in arriving at the carrying amount of the asset.

A forgivable loan from government is treated as a government grant when there is reasonable assurance that the entity will meet the terms for forgiveness of the loan.

### (i) Expenses:

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

### (j) Budget figures:

Budget figures have been provided for comparison purposes and have been derived from the budget approved by the Board of Directors.

## 1. Summary of significant accounting policies (continued):

(k) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Items requiring the use of significant estimates include the valuation allowances for tenant accounts receivable and other accounts receivable.

Estimates are based on the best information available at the time of preparation of the financial statements and are reviewed annually to reflect new information as it becomes available. Measurement uncertainty exists in these financial statements. Actual results could differ from those estimates.

## 2. Restricted cash:

Under the terms of the service manager agreement, the Corporation is required to restrict cash for specific purposes as follows:

	2022	2021
Operating reserve	\$ 759,925	\$ 744,474
Rent supplement reserve	318,807	312,325
Capital reserve	428,904	420,184
	<u>\$ 1,507,636</u>	<u>\$1,476,983</u>

## 3. Advances to and from City of Greater Sudbury:

The advances are comprised of the following:

	2022	2021
Social Housing Apartment Improvement program	\$ 445,667	\$ 317,170
Deferred operating and rent supplement subsidy	(429,582)	(424,180)
Social Housing reserve	304,798	242,680
Cost recoveries	57,265	287,816
Total advances from City of Greater Sudbury	<u>\$ 378,148</u>	<u>\$ 423,486</u>

## 4. Tangible capital assets:

Pursuant to a transfer order made under the Social Housing Reform Act, all assets, liabilities, rights and obligations with respect to the provincially operated local housing authority were transferred from Ontario Housing Corporation to the Corporation, effective January 1, 2001. The transfer included all social housing units including land and buildings, but did not include the associated debentures.

## 4. Tangible capital assets (continued):

In 2022, 23 single-family residential scattered units with carrying value of \$552,399 were disposed at net proceeds of \$6,749,091, generating gain on disposal of \$6,196,692. Five of these single-family residential homes were sold for a total sale price of \$1,487,000 with proceeds totaling \$375,000 and vendor take back mortgages totaling \$1,112,000. The mortgages are forgivable provided the debtor complies with the affordability and the forgiveness requirements for each unit for a period of twenty-five (25) years from occupancy of the units.

## 6. Commitments:

The Corporation provides certain employee benefits, which will require funding in future years, and which are not accrued. The value of unaccrued vacation as at December 31, 2022 totals \$110,089 (2021 - \$94,438).

The Corporation enters into various non-cancellable contracts in the ordinary course of business. Payments for these contracts are contractual obligations as scheduled per each agreement. Commitments for minimum payments in relation to non-cancellable contracts as at December 31, 2022 are as follows:

No later than one year	\$ 3,093,235
Later than one year and no longer than five years	248,367
	<hr/>
	\$ 3,341,602

The Corporation is involved in certain litigation and claims from time to time, which are in the normal course of business. The Corporation records accruals that reflect management's best estimate of any potential liability relating to these claims. In the opinion of management, the Corporation has reasonable arguments to defend against these claims and none would result in an additional liability that would have a significant adverse effect on the Corporation's financial position. However, the Corporation cannot predict with certainty the final outcome of these matters, \$40,000 has been accrued as at December 31, 2022 (2021 - \$40,000) for any of these claims.

## 7. Utilities:

Utilities expense comprises the following:

	2022	2021
Electricity	\$ 964,761	\$ 841,051
Fuel	1,324,508	1,147,909
Gas hot water tank rental	174,411	174,844

	<hr/>	<hr/>
	\$ 3,810,716	\$ 3,545,027

## 8. Insurance:

Administration expense includes \$117,820 (2021 - \$102,766) of insurance expense and property maintenance and operations expense includes \$381,632 (2021 - \$344,728) of insurance expense.

## 9. Financial risks and concentration of credit risk:

### (a) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in financial loss. The Corporation is exposed to credit risk with respect to the tenant receivables, other receivables, cash and pooled investment fund.

The Corporation assesses, on a continuous basis, tenant receivables and other receivables and provides for any amounts that are not collectible in the allowance for doubtful accounts. The maximum exposure to credit risk of the Corporation at December 31, 2022 is the carrying value of these assets.

The carrying amount of tenant and other receivables is valued with consideration for an allowance for doubtful accounts. The amount of any related impairment loss is recognized in the income statement. Subsequent recoveries of impairment losses related to tenant and other receivables are credited to the income statement. The balance of the allowance for doubtful accounts as at December 31, 2022 is \$730,650 (2021 - \$395,400).
